Subject: [REDACTED] Homicide - Holyoke) - Com. v. [REDACTED]

The above case is scheduled to begin on Thursday, November 17, 2011. It will take approximately two days to empanel a jury and address preliminary motions. We anticipate taking a view of the crime scene in Holyoke, so I believe it will be ready for the presentation of evidence on late Monday (11/21/2011) and day-to-day thereafter. Please advise if you are available or unavailable on any of these dates. Thank you.
